

## At Summer Camp in Sibley, Louisiana

Families Helping Families, Louisiana Assistive Technology Access Network, Louisiana Assistive Technology Initiative, Louisiana Developmental Disabilities Council, Medcamps of Louisiana, Children's Bureau of New Orleans, and LaTech Center for Biomedical Engineering & Rehabilitation Science

### Announces

#### ASSISTIVE TECHNOLOGY CAMP 2005

For children with special needs (ages 3-6 years) and their parents

- Location:** Med-camps of Louisiana, Camp Alabama, 2090 Hwy. 145, Choudrant, LA (between Ruston and Monroe)
- When:** June 24, 25, & 26, 2005
- Cost:** The camp is free to all children and their parents. This includes meals and lodging at the campsite.
- Applicants:** Any child with assistive technology needs between the ages of 3 and 6 years of age. The camp is an introductory camp with a purpose of introducing the child and parents to assistive technology in addition to providing a camp experience. Space is limited to 10-12 students. Applicants will be screened for cultural diversity and needs.
